

# Parking advice for visitors to Brigflatts FMH

## Welcome to Brigflatts

Unfortunately parking near the meeting House is very limited and we strongly encourage visitors to park in the lay-by on the A683 whenever possible.

Visitors can park adjacent to the stable, opposite Rosebank. With care there is room for three cars.

One space is reserved for visitors with mobility difficulties. Passengers can also be dropped off by the Meeting House (drivers will need to reverse, turn and park elsewhere, there is no public turning space beyond Rosebank).

At quiet times visitors may be able to park in the lane next to the burial ground.
